Invitation for a secondment as part of RISE_SMA

Date

11 July 2022

Dear Setiawan Hadi,

It is my pleasure to invite you for a secondment to Leiden, the Netherlands as part of the EU RISE_SMA project from 1 September 2022 to 11 October 2022.

RISE_SMA is part of the Horizon 2020 funding of the European Union (EU). It is an interdisciplinary, international network combining scholars and practitioners to enable intensive knowledge sharing and to develop solutions within the field of social media analytics (SMA).

Your visit will further strengthen the collaboration between our two universities, help to advance the research done in the projects' consortium, and establish new contacts and joint activities that can go beyond the project's duration.

The EU funding of RISE_SMA will cover all costs for plane tickets, accommodation (Hotel), and meals during the stay.

We are very much looking forward to your visit.

Best regards,

A handwritten signature in blue ink, appearing to read 'Suzan Verberne'.

Dr. Suzan Verberne
